

A large grid of 100 identical small images, each showing a person in a white lab coat and mask, likely a healthcare worker, standing in a line. The images are arranged in a 10x10 grid. Each person is wearing a white lab coat over a dark shirt, a white face mask, and white gloves. They are standing in a line, facing forward, with their arms at their sides. The background is a plain, light-colored wall.

A large grid of 100 identical small images, each showing a person in a white lab coat and mask, standing in a laboratory setting. The images are arranged in a 10x10 grid. Each image is a small, square, black and white photograph. The person in the center of each image is wearing a white lab coat over a dark shirt, a white face mask, and white gloves. They are standing in a laboratory or clinical setting, with a white background and some equipment visible in the background. The images are arranged in a grid, with 10 images per row and 10 images per column.
